### WHY DOES THE BIBLE EXIST?

The Bible exists because God wants to be a Father. From the beginning, He created humanity in His image and entrusted them with dominion in the earth (Genesis 1:26-28), desiring not servants, but \*children who would walk with Him and represent Him. Even after sin brought separation, the Father did not abandon His plan. Scripture reveals that He continued to call Himself our Father (Isaiah 64:8), pointing to His ongoing desire for family. Through Jesus Christ, God redeemed what was lost, not simply to forgive sin, but to restore sonship, giving us the right to become children of God (John 1:12). The Bible tells this redemptive story how the Father sent His Son so that we would no longer live as slaves, but as sons and daughters who cry out to Him as Abba Father (Galatians 4:4-7), having been predestined for adoption according to His will (Ephesians 1:4-5).

## STAGES OF SONSHIP

At the core of our faith is the belief that God is our loving Father, and we are His children growing into maturity. Our journey of faith is marked by the Five Stages of Sonship, guiding us from spiritual infancy to mature sonship in Christ. Each stage reflects a deeper relationship with God and a greater understanding of His fatherly love.

## EVANGELISM & DISCIPLESHIP

### **Mission:**

Our mission is to reveal the truest intentions of God as a Father. This is the foundational teaching that every taught, preached, counseled, or doctrinal word will be sifted through to ensure that Abba's children are growing and receiving a word as if they lived in his household. This is how we do ministry! (Romans 8:29)

### **Vision:**

Our vision is to labor with sons and daughters until Christ is fully formed in them, revealing the heart of the Father, restoring identity, and raising a mature people who manifest the Kingdom in the earth.  
(Galatians 4:19)

### **Family Culture:**

We are a family rooted in Abba's heart, where His voice is prominent, and His love forms us. In this household, identity, intimacy, and Christlike character are nurtured and strengthened. The culture includes the cultivation of honor, love, humility, and unity.

### **University Environment:**

We are a teaching ministry that believes that practical, relevant teaching is the catalyst for transformation in an individual's life. Scripture is inspired by God, completely accurate and our authority regarding Christian beliefs and the guide for Christian living.
