

BUILDING OUR FUTURE PRESERVING OUR PAST

Campaign Prayer

Lord,

You blessed our founding generation for its faithfulness and stewardship and for 134 years have inspired and sustained our ministry. For this, we praise and thank You. Now, in this time, new generations are called to support the ministries of our congregation and the renewal of our building, through prayers and financial gifts. Guide us in our decisions, so that generations to come may continue To Pray, To Serve, To Give, Together with Christ in this place.

Amen
