Our Weekly Bread

"I am the living bread that came down from heaven. If anyone eats of this bread, he will live forever. This bread is my flesh, which I give for the life of the world."

John 6:51

"You are what you eat." "Feed the mind." These phrases don't mean we become pizza nor that our minds must eat steak. Neither is Jesus saying that we must become cannibals and eat Him (though in the early days that is what some people thought Christians were doing)! Bread was a basic food item vital to life. Jesus uses it as a metaphor for His importance to our eternal life. He hints of His death on the cross as giving life to the world. Let us "eat" of His teachings, that we might each accept Him as our Savior and gain eternal life.

Donate to the Mechanics Ministry

Wesley Mechanics Ministry accepts donated vehicles and gives them to people without transportation.

A group of church mechanics volunteer their time to work on these vehicles and make them safe to drive. The Ministry still requires funds to pay for parts and to make these repairs.

We have been challenged to raise \$5,000 for the Mechanics Ministry, and an anonymous donor will match the donations. That's \$10,000 to help us

transform people's lives by giving them a way to get to work, school, doctor's appointments, etc. If you can help, send your donation to the church marked for the Mechanics Ministry.

Showing Some Love to Our College Kids

College students love to receive mail. We want Wesley's college students to know they are connected to our church while they are attending college away from home or at a local school. Four times a year, the College Connection Ministry sends out mailings full of encouragement, gift cards or goodies. To have a college student placed on our mailing list, email the student's name, mailing address, and birthday to michelle@wesleyumc.net by Wednesday, September 12. **Even if your student was on our list last year, please confirm or update his or her information. They will not receive a package unless we hear from you!** Contact Elaine Griswell, elainegriswell@yahoo.com, with questions or to volunteer.

Tutors Needed for Lamar Milledge

As the new school year is now upon us, we need additional tutors for Lamar-Milledge Elementary School in the Harrisburg section of Augusta. Wesley has partnered with the school for several years. If you have a couple of hours available once a week during the school day, your time could be put to great use providing academic support to LME's students. No teaching experience is required! Contact Kathy Manz, rmanz@bellsouth.net, 706-863-9364 or 706-394-3719, for information.
