What's there to eat?

We will provide a packed lunch for everyone (and will designate a meeting place for everyone to check in and eat together).

Students need to bring money with them to purchase snacks (if they desire) and dinner that evening. Theme park food is expensive! \$20 is suggested for food.

If my student has earned Yardsale money (or will earn it April 2018), can they use it for this trip?

Yardsale money cannot be used for this trip. We've been asked to reserve earned Yardsale money toward missions events and trips.
