Current 9-12th grade (2017-18 school year)

Middle School River of Life:

July 11-15th (Wednesday - Sunday)
Gray, GA (Gray UMC)
Cost:

How do I sign up/sign my student up?

Registration is available online here:

High School: <https://wesleychurch.ccbchurch.com/goto/forms/68/responses/new>

Middle School: <https://wesleychurch.ccbchurch.com/goto/forms/67/responses/new>

Are there a limited amount of spots?

Yes, Wesley UMC was given a certain amount of spots for both Middle and High School River of Life. Once we reach our allotted number, we will be in a waiting list for each event.

My son/daughter has a commitment on one of the days of River of Life. May I pick them up, take them to their commitment, and then bring them back?

We would really prefer that students stay for the event in its entirety. Students leaving and coming back affects work projects, work team make ups, rooming situations, and other facets of the week.

Does my student keep their phone for the week?

Beginning this spring, we began holding phones for the duration of overnight events, allowing students to have cell phones on the way to and from our destination. Our desire is to see students interacting with one another and growing in community together without the distraction of social media and outside influences. Students will always have access to adult volunteer phones (even to take pictures!) to call parents or for parents to call students. We'd also like to set up a mid-week time where students are able to use their phones to much base with parents. But we feel our off-campus events run more smoothly, more effectively, and have more depth without constant access to student cell phones.

Are there scholarships available?

Yes. Please talk to Aaron or Nicole.

If my student has earned Yardsale money (or will earn it April 2018), can they use it toward River of Life this year?

Yes. Please make Nicole aware.
