

Senior Parents,

As we approach graduation and end of school, we're increasingly excited to help you celebrate your senior and all of their wonderful accomplishments in this season of their life! I wanted to put these details into your hands so you and your family can begin to make the necessary plans and arrangements so we can be a part of your graduation process.

Our Senior Recognition Sunday at Wesley Church will be **Sunday, May 6th**. We'll begin with a reception in the biscuit area between the 9:30 and 11:00 services. Afterwards, we will move to the 11:00 traditional service to be recognized, and then to the 11:05 service. Once we have been to both services, students may go and sit with their families in the service of their choosing.

Following services (approximately 12:15pm), we will host our annual Senior Recognition Luncheon in the Celebration Space. Each of our seniors is presented three tickets at no cost to your family. If you and your family would like to invite friends, family and guests to join in our celebration luncheon, tickets will be available for \$8.00 per person.

Additionally, I'll be working on a special video project with our seniors which we will share with our church on Sunday, May 6th. I'll set up a time with each senior to record a short interview, which will then be edited and presented in celebration of our senior class.

We are excited about hosting our annual celebration of our seniors - each of them a fantastic reason to celebrate! To help us do so, we're asking everyone who would like to participate to **please register online at [www.wesleyumc.net](http://www.wesleyumc.net)** and find our "students" page under the "Age Groups" tab.

Grace and Peace,  
Aaron
