Seminars in Panama - Rio Indio and Piña

This past seminar in Rio Indio was the best attended yet, with 40 pastors and workers in attendance. We were blessed to have Pastors Pedro Solís and Hernán Coto from Costa Rica share in the teaching. We also initiated a second seminar at a sister church in Piña. There were 25 that attended these night sessions. The next seminars in this area will be in May. We will be going upriver to a new village in the Chilar area.

New Church Plant Iglesia Bautista Vida Nueva

What a joy to plant yet another church in San Ramón, Costa Rica. There were over 60 in attendance for the first service and more on the following Sunday. A young man was saved following the third service. We are in a rented building and are already filling up the space.

Seminar in Village C, Peru

It is thrilling to see great spiritual growth among the **Yagua tribe**. Stanley Ulate and Russ taught classes every day for a week and had services at night. They saw **5 saved, 5 baptized, 3 babies dedicated to the Lord** and 4 common-law couples make a decision to marry.

Church in Riosito

The building of the church in Riosito is progressing. Pastor Dionicio continues to serve God both spiritually and physically.

Thank You

for partnering with us in the outreach of Latin America. Your prayers and financial support make it all possible.
