

The logo features a large, stylized number '40' in white, set against a red heart shape with a geometric, low-poly pattern. To the right of the heart, the words 'DAYS of GIVING' are written in a clean, sans-serif font. 'DAYS' and 'GIVING' are in black, while 'of' is in red.

During Lent many Christians commit to fasting, or giving up certain luxuries in order to remember the sacrifice of Jesus' journey into the desert for 40 days.

In recent years our church, instead of simply abstaining from certain things, has focused on also giving to those in need through a campaign we call "40 Days of Giving." Each day of the 40 days of Lent we'll identify some item that you can donate to support ministries of our church that helps those in need in our community.
