1. Opening Prayer- Ben

2. Review of minutes-

John made motion to approve; all approve. Minutes will be submitted to website.

3. Review of Layout of Parish Profile-

Carol said "OUTSTANDING" regarding layout proof Ben sent to SC. Not ready for submission as incomplete and will need editing for some grammatical errors. Pictures are wonderful. Ben included an open link for members of SC to edit- discussion was had for how this would be handled. Editing is in real time and can see what edits are made etc. Carol suggested limiting the people who edit so as not too many hands in the pot. Cyndi, Mark, and Ben will work together and when are satisfied on their end will share with SC for further edits. Various minor notes were made regarding info on profile currently.

4. Genesis II discussion- John

John shared w SC plans for program which will run parallel with SC. It's a 6-month program designed to redevelop the church and define what it is. Six members from Trinity are participating- Paul A., John, Jan, Pembroke, Jane E., and Indra. Doing w Trinity Melrose. This will help make decisions on needs of the church. Carol said she had posed the question as far as would Genesis II slow the SC down. Jane R. said no, process would still be the same. We could be interviewing by late summer/ early September. It will be starting in March probably.
