

Five Membership Expectations

Prayers. Presence. Gifts. Service. Witness. What does that look like?

Worship Each Sunday

Worship with us each Sunday (9 or 11 AM) unless you are sick or out of town. Worshiping weekly gives you an opportunity to gather with the others to love God, offering praise, honor, and glory; to hear what the Lord God says to you by reading scripture; and to speak our prayers to the Lord. It's an incredibly powerful moments to re-center your life in communion with the One who created everything, including you, and loves you and wants to be in relationship with you.

Grow in Faith

Grow in your faith outside of worship through some kind of small group. Participating in a Sunday school class or small group of some type will contribute to your faith journey by helping you grow as a follower of Jesus and by helping you make friends. Knowing even a few other people more deeply makes a church feel like home as we live life together.

Use Your Gifts to Serve

Serve by using your gifts and talents both inside and outside the walls of the church. Each of us is given spiritual gifts and natural abilities that we can use to serve others and glorify God. The church is the Body of Christ, and each of us is a member of the Body. We are all invited to participate in God's mission to renew creation. God invites you to touch the lives of others and help transform the world.

Give Regularly

Give financially in proportion to your income, with the tithe (10%) as your goal. Giving regularly not only supports the ministry and mission of the church, but also is your way of giving God priority in your life. One way to determine what people really care about is to review where they spend their money. Sometimes life circumstances mean we cannot give regularly, but when we are able to do so, it deepens our faith as we love God and serve the church and the world through our giving.

Share Your Faith

Share your faith with others through words and actions. We are called to be witnesses and share our good news with others. Often we think this means awkward conversations, but it doesn't (and shouldn't) have to be like that. It does mean being ready to answer questions like, Why do you go to church? Do you believe in God? Sometimes the best witness is when others see how you live your life in God.
