For All the Saints

Act of Remembrance (Naming of the Honored Dead)

The name of each of the honored dead is read aloud. Family members and friends are invited to stand in place for silent prayer as the name of a loved one is read. After each name is read, the congregation responds, a candle is lit, and a bell is rung.

Shine Like the Sun
The Sanctuary Choir

Ylvisaker/Black

There's a light that lights the darkness, and the world can not contain it and the world can not explain it. It is the light of God's creation.

There's a love that flows within us, and the world can not create it, and the world can not negate it. It is the love of God's salvation, and it shines like the sun.

There are saints who light darkness, and the world can not contain them, for the love of God sustains them and they will never be forgotten.

We are blest to have them with us, and we praise the God who made them. There is no way to repay them, and so we simply do applaud them as they shine like the sun.

Glory be to our Creator! Glory to the Holy One! Glory be to Christ our Savior, the Lord the light, the King of love. See him shine like the sun.
