PACK Meetings are our large monthly celebrations to recognize our scouts and their achievements. We hold our award ceremony, play games, and highlight announcements and upcoming events. Scouts wear their uniforms to each PACK meeting. Families are encouraged to attend and take pictures!

DEN Meetings are weekly gathering of scouts and their scout leader. Scouts work on specific badge requirements, learn new skills, and form close friendships.

Adventure Days & Camp Outs are council-hosted events designed to give scouts a day of hands-on learning opportunities. These adventures are also advancement opportunities!
