Questions/Topics for this week:

1. Life and the suffering it brings can steal our focus, be loud, and seem chaotic. How do we learn to listen for God in the midst of this?
2. Identity can be an area that many people struggle with. How does your identity change when you listen to who God says you are?
3. What would our lives look like if we remained unshakable in our faith, regardless of what came our way? What can we do to practice living with unshakeable faith?

Be Intentional:

This week we learned that God speaks through community. Who is the community you've surrounded yourself with? Take time to think about who God is using to speak to you, and spend time thanking God for them.

Pray:

Spend time praying together. What are some ways in which you can pray for each other? Take some time in the coming week to explore ways in which you can encourage one another. Remember to share with your group what you are learning about those opportunities and reflect on God's Word as you pray for each other.
