Questions/Topics for this week:

1. How does it feel to know that God pursues you in His love?
2. Being honest with yourself, do you think that you pursue God intentionally?
3. God pursues us to sustain us, to bless us, and to take us home. Which of these resonates the most with you?

Be Intentional:

This week find space to pursue God in your life. If you already are, what new ways could you find to pursue the one who loves you?

Pray:

Spend time praying together. What are some ways in which you can pray for each other? Take some time in the coming week to explore ways in which you can encourage one another. Remember to share with your group what you are learning about those opportunities and reflect on God's Word as you pray for each other.
