The True Vine

November 19, 2023

I AM: The True Vine

I am the...

Jesus is the true vine

John 15:1-11; Philippians 4:13

- Jesus is my source, supplier and sustainer
- I am a branch

False vines:

- The things I attach myself to become the source of my nourishment

2 things I can expect:

- Producing
- Pruning

The Invitation:

- Remain in Jesus
John 13-17; Colossians 2:6-10, 3:3

Questions/Topics for this week:

1. What are some key points you took away from the sermon about Jesus being the "True Vine" and what it means to remain in Him? How does this concept challenge your perspective on your relationship with Jesus?
2. The sermon mentioned false vines that people often attach themselves to, like power, money, relationships, and more. Can you identify any false vines in your life that you've been relying on for nourishment? How can you begin to detach from them and attach to the True Vine, Jesus?
3. The idea of pruning was discussed as a way to produce healthier fruit in our lives. How do you react to the concept of God pruning us, and what might be some practical ways to embrace this process rather than resist it?

Be Intentional:

- This week be intentional with specific practices or actions you can incorporate into your daily life to help you remain in Jesus and experience His presence more deeply.

Pray:

Spend time praying together. What are some ways in which you can pray for each other? Take some time in the coming week to explore ways in which you can encourage one another. Remember to share with your group what you are learning about those opportunities and reflect on God's Word as you pray for each other.
