A touches for a new years	
4 touches for a new year:	
1. <u>Community</u>	
2. <u>Connection</u>	
3. <u>Compassion</u>	
4. <u>Clarity</u>	

Questions/Topics for this week:

- 1. What are some common "vision stealers" that can blind you to the true nature of Jesus and hinder our faith journey?
- 2. Discuss the significance of Jesus using unconventional methods like spitting in the healing process.
- 3. Explore the four touches discussed in the sermon (community, connection to Jesus, compassion, and clarity). How can these touches be applied to our lives, especially as we step into a new year?

Be Intentional:

Choose one of the four touches (community, connection to Jesus, compassion, clarity) to intentionally apply in your life this week. For example, reach out to someone in your community, spend focused time in prayer to deepen your connection with Jesus, show compassion to someone in need, or seek clarity in an area of your life. Share your experiences and the impact of this intentional touch with the group.

Pray:

Spend time praying together. What are some ways in which you can pray for each other? Take some time in the coming week to explore ways in which you can encourage one another. Remember to share with your group what you are learning about those opportunities and reflect on God's Word as you pray for each other.
