

The Whole Truth
January 21, 2024

Knowing better doesn't always mean doing better.

Genesis 3:3, Romans 7:14-25

Three types of truth today:

Hebrews 6:18, Romans 3:4, Psalm 119:160, John 17:17

- **A truth: What may or may not be true.**
- **My truth: What I believe to be true.**
- **The truth: What God says to be true.**

Is my truth under the authority of the truth?

Genesis 3:1, Psalm 19:7, James 4:7

Obedience reveals who we trust.

Genesis 3:6, Hebrews 11:6, John 14:21, 1 John 4:9-10, 16

We get near-sighted in pursuit of truth.

Genesis 3:6, 1 Corinthians 1:18

Am I being set free from walking in the truth?

John 8:31-32, Matthew 7:24-27

Questions/Topics for this week:

1. What stood out to you the most about the way Satan tries to deceive us? In what ways have you personally experienced these tactics of the enemy in your life or the lives of those around you?
2. How has your view of God changed over your lifetime? What are things about God you used to think were true, or things you didn't believe true about him, but now do? What has changed your perception of him?
3. In what ways can we actively submit our individual truths to the authority of God's truth in our daily lives?

Be intentional:

This week, consider some steps you can take to better align your life with God's truth. Pray for his wisdom, courage, and strength to take those steps or seize the appropriate moments.

Pray:

Spend some time praying together. What are some ways in which you can pray for each other? Take some time in the coming week to explore ways in which you can encourage one another. Remember to share with your group what you are learning about those opportunities and reflect on God's Word as you pray for each other.
