

## PROPHETIC WORDS FOR FLORIDA:

### Florida Root 52 State Prayer Guide July 16 - 23, 2010

#### BRIEF STATE HISTORY

In 1868, Florida's new State Constitution mandated that the first session of the Legislature must adopt a seal to represent the state. The resolution specified that the seal had to be the size of an American silver dollar. It also stated that the seal should contain the sun's rays, a cocoa tree, a steamboat, and a female Indian scattering flowers. These images were to be circled by the words "Great Seal of the State of Florida: In God We Trust."

Several changes have occurred on the seal over the years, although the basic design has been maintained. The Indian woman has changed her clothing and taken off her feathered headdress (only male Seminoles wore headdresses) so that she is now a more authentic Seminole Indian. A mountain in the background has been flattened (Florida has no mountains). The steamboat has been repaired a few times. And a sabal palm has been transplanted in place of the original cocoa tree to reflect the state's adoption of the sabal palmetto palm as the official state tree in 1953.

The latest revisions took place in 1985 and this version of the Great Seal of the State of Florida appears to have been generally accepted as the definitive version.

#### Florida's State Flag

Florida's official flag was adopted in 1900. Florida's flag has a red cross of St. Andrew on a white field; in the center is the state seal, which depicts a Native American (Seminole) woman scattering flowers, the sun with many rays, palm trees (the large one is a cabbage palm), a sailing steamboat, the land and the water.

Motto: In God We Trust (1868)

Capital: Tallahassee

State Symbols:

Flower: Orange Blossom (1909)

Bird: Mockingbird (1927)  
Song: "Suwanee River" (1935)  
State Tree: Sabal Palmetto Palm (1953)  
Nickname: Sunshine State (1970)  
Origin of Name: From the Spanish Pascua Florida, meaning "fest of flowers"  
(Easter)  
Land area: 53,927 sq miles  
Number of Counties: 67

Florida was organized as a territory on March 30, 1821 and entered the Union on March 3, 1845 becoming the 27th State to gain statehood.

Some numeric facts and plausible spiritual significance related to Florida's order of statehood:

In Matthew 1:1-17, 27 was the number of generations from David to Jesus Christ; the New Testament contains 27 books;

MAN is made up of body, soul, and spirit:

- As the body without the spirit is dead, so faith without deeds is dead. James 2:26

- Until a person has received the Holy Spirit they are spiritually dead.

Significance of the number 2 -For that the conflict of life and death is seen by the acceptance of the Holy Spirit; Without the Holy Spirit we are incomplete, only two of our three parts are alive; Speaks of the confrontation between the spirit of death and life.

The TRINITY denotes Divine perfection and completeness  $(3 \times 3 \times 3) = 27$  (Father, Son, Holy Spirit);

The number 7 in Hebrew is (Sheh' vah) derived from root word meaning complete or full;

Seven is also the seal of God. He stamped His approval of the creation by resting on the seventh day.

### **Florida's Constitution(s)**

1838

Seeking statehood for Florida, 56 delegates drafted Florida's first constitution at a convention in St. Joseph; the city was selected over Tallahassee to host Florida's first State Constitution Convention. The state's first constitution established a bicameral legislature, a one-term governor and designated that departmental

heads be selected by the legislature.

1861

In order to formally secede from the United States, the drafters of Florida's second constitution met in Tallahassee to tie Florida to the "Confederate States of America." Laws governing the convention gave it the power to make necessary changes and therefore Florida's second constitution did not have to be submitted to the electorate for ratification.

1865

The end of the Civil War called for Florida's third Constitution to be drafted. Although it was adopted, the constitution never became law because Florida came under post-Civil War military jurisdiction.

1868

Florida's fourth constitution was often referred to as the "Carpetbag" constitution and revealed the unstable period of post-Civil War Reconstruction. This constitution allowed for the governor to appoint county officials, implemented a public school system and established a state prison.

1885

In response to the abuses of government following Reconstruction, Florida's fifth constitution weakened executive authority and added checks and balances. The authors of the fifth constitution created an elected cabinet and added a requirement to elect government officials. This constitution came to be Florida's longest-lived and most amended constitution.

1968

Due to the large number of amendments proposed each session by the legislature, it became evident that a new constitution that better reflected Florida's modernization was required. As such, Florida's current constitution was adopted in 1968 and replaced the 1885 version.

#### **Preamble To Florida's Constitution, 1885:**

"We, the people of the State of Florida, grateful to Almighty God for our constitutional liberty, in order to secure its blessings and to form a more perfect government, insuring domestic tranquility, maintaining public order, and guaranteeing equal civil and political rights to all, do ordain and establish this Constitution."

#### **Selected sections from the Constitution of Florida:**

Section 5. "The free exercise and enjoyment of religious profession and worship shall forever be allowed in this State, and no person shall be rendered incompetent as a witness on account of his religious opinions; but the liberty of

conscience hereby secured shall not be so construed as to justify licentiousness or practices subversive of, or inconsistent with, the peace or moral safety of the State or society."

Section 19. "Neither slavery nor involuntary servitude, except as a punishment for crime, whereof the party has been duly convicted, shall ever be allowed in this State."

Section 22. "The right of the people to be secure in their persons, houses, papers and effects against unreasonable seizures and searches, shall not be violated, and no warrants issued but upon probable cause, supported by oath or affirmation, particularly describing the place or places to be searched, and the person or persons, and thing or things to be seized."

## **PROPHETIC WORDS FOR THE STATE OF FLORIDA**

Chuck Pierce defined a state having a covenant root as those that have aligned with God's covenant plan with Israel. (Notes from Watchman Conference, April 2009, Christian International Ministries Network, Santa Rosa Beach, FL)

Florida's Covenant Root - "Resolution Favoring Israel Passed Unanimously. TALLAHASSEE, FL;" posted March 10, 2003, by S. Olidort, [www.lubavitch.com](http://www.lubavitch.com)

"On Friday, March 7, 2003 Florida's House of Representatives unanimously passed a resolution declaring the state's solidarity with Israel and support of its fight against terrorism. HR 1A

"Rabbi Schneur Zalman Oirechman, director of Chabad of Tallahassee and the capitol district, was invited by House Speaker Johnnie Byrd to recite the invocation at the event, where he met with Byrd to discuss the resolution. Sponsored by Republican Representative Adam Hasner, of Delray Beach, the resolution calls on Florida and Israel to maintain healthy relations with each other and offers support through economic trade, cultural exchange programs, and promotion of tourism in both states. "The resolution sends an important message of our support for Israel as the only democratic nation in the Middle East, and America's staunchest ally in the region," says Hasner."

Taken from *Releasing the Prophetic Destiny of a Nation*, by Dutch Sheets and Chuck D. Pierce, Florida's motto is "In God We Trust." Sheets and Pierce designated Florida first for revival: the Forerunner State. We are called as forerunners in the purposes of God, forerunners in revival, and forerunners in destiny for the nation. Florida is an apostolic state with a governmental mantle to shift and change this nation. The twenty second floor of the State Capital building in Tallahassee is an Isaiah 22:22 floor, where the church of Florida is to pray from and govern the state. Isaiah 22:22 declares: "The key of the house of David.

I will lay on his shoulder; so he shall open, and no one shall shut; and he shall shut, and no one shall open."

Forerunner Defined: a messenger sent before to give notice of the approach of others - an ancestor or predecessor - a prognostic - a sign foreshadowing something to follow - a harbinger - properly a person who goes to provide harbor or lodging for those that follow. - a forerunner, - a precursor - that which precedes and gives notice of the expected arrival of something else; example: freedom outposts.

Chuck Pierce, April 2001

"Florida is a first fruits state and "as goes Florida" is going to be how the United States goes. Florida will be the first state to put prayer back in schools."

First Fruits Defined: the fruit or produce first matured and collected in any season - the first profits of anything - the first or earliest effect of anything in a good or bad sense.

\*Pray that Florida would meet every jot and tittle of this prophetic word.

Cindy Jacobs, April 2006: "Send your harvesting angels. God is going to harvest the coast. The Lord says, I'm getting ready to release the harvesting anointing. There will be a day when Panama City will have the reputation of being the cleanest Spring Break (destination) in the nation."

Redemptive purpose of Florida - released from the Board of Counselors for the U.S. Strategic Warfare Network, Florida: "We believe Florida to be a prophetic voice to our nation and a point of release for world revival.

Chuck Pierce saw Florida as the most dangerous state we have in the United States. God showed him that Florida had a covenant root but had a path of darkness that was being set up for war. It was established all along that way. It was like war units of the enemy were being established greater than the freedom outposts. The Lord showed Chuck that Florida could have such a move of God's glory that the whole nation would experience glory. Georgia has a root of violent covenant resistance; if this evil path from Florida were to make it into Georgia our nation will have tremendous problems for the future. God can shift this, but we have to see where we are and pray accordingly rather than from our will. We have to learn to move with God and know our assignments. The path of evil from Florida forming is a warpath. The warpath had incredible units, Tampa being the strongest one. The units were able to communicate all along and through this region. Chuck saw that Florida would be like a gun that caused our nation to reel and actually come into a great wound. Florida could become the greatest glory move in our nation or the greatest path of wounding for our nation in days ahead.

Using the prophetic word to war over the state, we partially used a prophetic word given by Chuck Pierce: "There is a war mantle on you. Stand in the place of victory. Break down the structures that oppose you, line upon line. A gift I have thrown to you and this nation for war."

A prophetic word from Cindy Jacobs, August 19, 2009: "Florida is going to be a great army; God has made Florida a great weapon in the hand of God." (Jer. 51:20) "Florida, you are my battle axe and weapon of war. Florida is a war-club, a battle axe. There is terror in Tampa, Tallahassee and Miami - a ring of terror; but, God has a ring of fire. Shaking, shaking, shaking. Florida is my threshing floor for the nation. The key is the marriage of righteousness and justice." There are revolutionary angels moving around; we are moving into a Kingdom Season where we war from the glory realm of Heaven, bringing forth our future.

12/31/09 Chuck Pierce - The prophetic word given by Chuck Pierce at the head of the this year states, "For I say, My sword will begin to turn up the ground of Florida - And I say, I will show you trading violations from St. Augustine in through Pensacola that set a course for this nation. I say to you, Watch the city of San Francisco, watch the city of Houston, watch the city called Kansas City, and watch the city called Salt Lake City; watch Reno - for these will be cities that will be the beginning of 10 that I will change. - I say, Florida will begin to feel my kick going into these next 10 years. And I say, that from the kick of My foot it will be seen that Florida now is beginning to move forward in ways where it was stymied. I say to you, know that cities will now begin to change in ways that my people have asked for me to change them. There will be supernatural inroads of change that I produce beginning now." says the Lord.

Pensacola and St. Augustine are the oldest colonies in America. Therefore, this word takes us back to the foundations of this nation. The trade violations we have discovered are slavery, religious wars, shedding of innocent blood, idolatry, and broken covenants. These are the five key things that have defiled the land. In 1996, the Lord showed Martha Lucia that Tallahassee, Florida was the high place of the nation where the Phoenicians had established Baal worship. Tallahassee became the place where government and trade routes for this nation began. After four years of meetings, the High Place of the Nation Conference took place in Tallahassee and we knew we had taken this place for God. The 2000 presidential election was one of the things that occurred after this time making us very aware of God's agenda for this place.

Florida could be the entry way for evil in this land. It was a sign when government and law enforcement officials declared open season on pythons in this state. Florida is where Leviathan and Python contend for the future of this nation. It has great economic influence over how this nation goes. In the 20's Florida was one of the reasons we had the crash on Wall Street. When the land

boom collapsed it threw our nation into a collapse as well.

12/31/09 Chuck Pierce continued:

You go back 100 yrs and then 100 yrs again and there are patterns that must be overthrown through kingdom worship and when we do this Dagon falls over. I actually saw FL will be concentrated on more than any other state; to gather and worship. It's not a political thing at all. In the midst of it you must deal with and go deep inside the land and bring forth the spirit of God on the land. You will get patterns in the land. Hell wants the mouth of Key West to be controlled. There are some divisive structures working there and you have to take the head off. HIT LEVIATHAN'S EYE.

When we researched the patterns within the previous 100 years and 100 years before that, we found devastation after devastation in the land. Battles fought and treaties broken. When we compared it to 2009, we found victory after victory within the colleges and sports arenas where Florida was making history and breaking records of old.

Chuck Pierce has been holding meetings in Florida to help raise-up the triumphant reserve in this state, to help shift Florida to her covenant root, and to see the manifestation of the freedom outposts in this land.

According to the word of the Lord from Cindy Jacobs, we will win in 2010 and see a great awakening and reformation, the restoration back to a Biblical worldview of which we have all dreamed.

## **PRAYER POINTS**

\*Thank God for Florida's covenant root which lies with her support and alliance with Israel. Pray that Florida would continue her efforts to maintain healthy tourist and trade relations; and that she would continue to undergird Israel through prayer, provision and missionary efforts.

\*Pray that Florida would stand resolute in the tenants of her constitution and her principles.

\*Pray that Florida would repent and make full restitution for all accounts where she participated, knowingly or unknowingly, in slavery or involuntary servitude, as is evidenced by historical accounts of such trade out of St. Augustine; and where this has opened the door for the current dilemma in human trafficking in Florida.

\*Pray that Florida would bring that which is profitable to the Kingdom of God in this season; that she would lead the nation into sweeping educational reformation with the reinstatement of both sanctioned prayer and the declaration of allegiance to the United States and her flag.

\*Pray for these harvesting angels to come and reap across Florida, from the coasts to our borders along Alabama and Georgia. Pray for this release of the harvesting anointing and for a great move of unprecedented evangelism and decisions for Christ in every "field" that is white unto harvest. Pray that this movement will ignite the fire for world revival. Pray that the "firebrands" of God be released to run to and fro across this state, and across this nation.

\*Pray for the continued discovery and destruction of all structures that procreate, instigate or manifest the spirit of Python or Leviathan in every sector of the state, every public and private institution, every form of business, every system of government.

## **12 DAYS OF "ROLLING INTERCESSION" FOR FLORIDA**

We are taking 12 days of "Rolling Intercession" to pray for Florida instead of one week. These 12 days of prayer, fasting, and warfare will begin in Key West on July 16th and end in the Pensacola area on July 27th. These specific areas of Florida will have times of coming together on the day assigned to them. During this time we are asking those involved with prayer movements throughout Florida and from the different States to join us as we seek His Face for Florida and our Nation.

We also shared some additional prayer points to those who will be involved in these times of prayer for Florida:

Lastly, we have included a quote from one of Cindy's emails regarding Root 52 that expresses our prayer and heart's cry for Florida and our Nation:

*"We see a remnant arising. There is a triumphant reserve. There are those who recognize it is **no longer "business as usual"** and the grass roots movement is feeling the wind of resurrection blowing. If we will take our place in repentance, bowing low before God in humility with fervent prayer and fasting, seeking God's face and His heart towards our Nation, we believe that united with God and one another, **a nation can be shifted.**"*

### **Prophetic Word for America**

Bishop Hamon

Monday, July 26, 2010

Note: Also visit Cindy Jacob's website <http://www.generals.org> for her recent prophecy that agrees with Dr Hamon.

When we started worshipping tonight, I asked the Lord to share some of his heart and mind concerning the United States. He started sharing and I started writing as fast as I could while you were worshipping and I was agreeing with you. So, I want to share with you some of the things that God shared with me. This is a prophetic word from the Lord, and what he is saying and thinking and planning, amen. So, the Lord says, "I raised up this nation to fulfill my purpose in this world. The founders and forefathers prayed and made covenant with me. As I remembered my covenant with Abraham, so I will remember my covenant with the founders and forefathers of America. But America has forsaken me, as Israel did. They have turned to other Gods. But when they cried out to me, I raised up deliverers and delivered them from the oppression of their enemies. America is not paying heed to those things that I am speaking and doing to get their attention. Therefore, I'm going to allow a thing to happen that will get America's attention greater even than 9/11. I am going to allow a thing to happen that will open the eyes of my people to see how close they are to destruction and their loss of liberty and freedom. Send out the message for my people to cry out to me. And I will arise as a man of war and make my glory be seen and my power be made known. I am jealous for my nation. I will fight for my church this nation as I did for my nation Israel. I will not be mocked or denied my rightful place in my church and this nation. I have decreed and set things in motion in the heavens that will soon be manifest on the earth" says the Lord.

Amen, that's the heart and mind of God. Now I want you, over the next few days, on your computer or in your Strong's concordance, to look up all the places where the Children of Israel cried out to the Lord and where it says, "God remembered, God remembered, God remembered." And see some of the principles and some of the realities that took place. And remember, throughout scripture, it wasn't the whole nation that repented. It was just a few. I've been sharing a word in the nations. As I have gone a few places, the Lord gave me the word of the Lord for that nation, that God calls the least to do the most. He called little David to do more than a whole army could do: bring down Goliath. He caused the four lepers to take a hopeless condition and get things moving where the whole city could not get it done. God calls the least to do the most. And I want to encourage you again now. I really believe with all my heart, as I've written the book on the reasons for speaking in tongues and I shared with the MTC, that the Holy Spirit is a helper--not a dictator, not a controller, not a manipulator. He is not independent and touchy. The Bible says he is a helper to come alongside and help us. He comes right alongside our spirit, baptizes our spirit with a spirit language. And actually, when you will put your mind, just like when you were praying, I was praying in tongues and my spirit was in agreement with what you were praying because he helped me. You see, some of you are just looking around. You can activate. Come on. You should be praying in tongues. I listen with my mind, and my spirit language says, "Ok, I'm with you. Let's go for it." And my spirit language is praying in agreement with the prayer that is being prayed in English. The Lord showed me that we can agree and say, "Ok Holy Spirit, we're going to pray for this one thing." And we all can be praying in tongues in a different language, but praying for the same thing, at the same time, for the same purpose. And I'm making a push to get a million people praying around the world following the clock around the world to where we have a million people praying for the same thing, at the same time, in tongues, because the Holy Spirit is here to help us, to direct us, and enable us to do warfare, intercede and pray. I know the repentance-we have to do that. But then there comes a time when you've got to quit repenting and go to war. You have to go to war. Every time they repented, then they went to war. Gideon repented, but then they went to war. We have to go to war. And I tell you, we have entered a new stage. I have been talking to several churches around the world as I went, but also throughout CI. And I tell you, every one of them

has been shaken. But God is shaking us, and testing us, and preparing us, to see who is going to be qualified to be forerunners and reformers in this Third Reformation. God is shaking everything that can be shaken. God's shaking out nations that will be sheep and goat nations. We've got to pray and intercede for our nation and arise and decree and declare. God said he has decreed something in heaven tonight that soon will be manifest on the earth. And God is going to do something to get America's attention, even greater than he did at 9/11. So, that means we have got to get ready and prepared to be a voice for the Lord. Everything that was prayed tonight is in alignment with what God wants to do and what God wants to perform. So, let's stand, and let's come in agreement. Let's agree right now that we need revival—throw them at those young people. We're not going to win them unless we see supernatural, sovereign visitation of God. God has got to sweep through this nation, through his church, arising. And they've got to see a demonstration of no god like Jehovah Jesus. No god like Jesus. That younger generation has been brainwashed in their schools, without a God, without the Ten Commandments, and their families haven't taught them. So, there has got to be a sovereign, divine visitation coming. And it's coming. We're going to see the greatest power of God manifest that we've ever seen. Did you hear some of the prophecies? God said, "I'm going to do things that have never been done before." I heard the Lord say, "I'm going to do a thing that will make your ears tingle and make the hair on the back of your neck stand up." We're about to see God. God said, "I am tired of them ignoring me and mocking me. I'm going to be known. I'm going to demonstrate my glory. I'm going to demonstrate my power." We've seen it, we've talked it, we've prayed it, we've preached it, we've heard it. And I agree with the prophecy that Apostle Greg Catalano gave that I'm going to live to see it. I'm going to live to see and declare the glory of God. I want us to agree.

Tonight, I believe we touched heaven. There was only one prophet by the name of Daniel, which prayed and interceded and turned the nation back to their place. It takes only a few. Don't think, "Well, we've got to get the president." No, no, we just need a few people crying out to God. And tonight we caused heaven to shake and heaven to awake and earth to be moved, amen, because we prayed. It only takes a few, it only takes a few. God never uses many. He only takes a few. And as Jonathan said, it makes no difference to the Lord to be saved by many or by few. Now, I want us to

agree with God in this word that it will begin to implement. We say, "God, reposition us, realign us to do your will." Amen! We're going to take about five minutes to pray in tongues. We're going to say, "Holy Spirit, take everything that we've heard and ingest it." Praying in tongues does two things: it births what your ears hear and it gets you impregnated with it. If you just listen without the spirit, it goes in one ear and out the other, so to speak. If you hear something and pray in tongues, it ingests it, it births it, it impregnates it into you so it becomes a part of your spirit, amen. How many want what has been heard, and said, and done and prayed tonight to become a part of your life, spirit and being? Amen. God is going to do some great and mighty things. It says in Daniel that powers of government were given to the church and the Ancient of Days arose. But the verse just before that says, "the enemy was prevailing and winning over the saints, until..." We're getting ready for that "until." I say we're coming to that "until" day when the Lord gave powers of government to his church to demonstrate his glory, and the church took the kingdom, amen. I want us to take 10 minutes of letting your spirit man pray, and we're all going to agree and pray and ask the Holy Spirit to lead us all to pray in alignment and unity. Look, one can put a thousand to flight, two can put ten thousand, and 75 or 80 or 100, whatever is here tonight, we can take 10 billion. How many have got your spirit language? That's your greatest power. The spirit language is the activator to activate every divine attribute, gift, and grace of God in your life. It's the greatest gift the Holy Spirit could give. Are you ready? Now remember to get power, it's like going to that water dam, you don't get any power from a trickle. The water has to force through that turbine to get the generator moving. So, I want you to pray, amen, from the depths of your being. Out of your innermost being shall flow life-giving waters- life, health, healing, deliverance. Out of your innermost being flow rivers of living or life-giving waters. Jesus came that we might have life and that more abundantly. Are you ready?
