Dear Pastor and Praying Friends,

What a joy it is to write you about the blessings we experienced in ministry during the last two months. It has been a whirlwind of activity, but it is good to be busy! Let me share a few with you now.

2019 began with our Watch Night service as we prayed in the new year together. It is always a highlight for our people, who enjoy the food, fellowship and games together. Next in January was our parent and baby dedication service. **Thank the Lord for two babies dedicated to the Lord this year.**

February and March each held "first's" for our ministry. In February, we celebrated the first formal wedding of a couple in our church. Then, on March 3rd, we held the first graduation ceremony of Faith Baptist Bible Institute. Two men graduated after completing the required courses. **FBBI** is a ministry of our church here and offers three and four year diplomas to those who wish to pursue a Bible education.

In January and February, several people received Christ as Savior, and several new people began attending services. We also baptized 6 people as well. One lady completed our discipleship program, in which 15 to 25 people are enrolled at present. **Praise the Lord for a good start to 2019!**

Today, my family and I are flying back to the USA for a **short 5 month furlough**. Lord willing, we will be welcoming a newborn into our family in May. So far, there have been no complications with Ashley's pregnancy, for which we are thankful. Please keep us in your prayers, especially Ashley and the birth of our baby. Thank you for your prayers and support. God bless you!

Sincerely,
Ben Anglea
