

IGLESIA BAUTISTA EL FARO

LIGHTHOUSE BAPTIST CHURCH · BAHIA BLANCA, ARGENTINA

July-October 2021

Greetings:

I would like to say a big thanks to everyone that has been praying for my wife and her family due to the loss of her dad back in May. October 17th was Mother's Day here in Argentina which was a difficult day for my wife and her family. However the Lord allowed them to be able to spend this Mother's Day together which is the first time since we have been married. There have been some difficult times but through it all God has been good!

In the month of September the church here in Bahia Blanca had it's first missions conference with two missionaries that we currently support. This was a very special time for our church!! Praise the Lord that our people responded well to all of the messages and we were able to increase the support of our current missionaries.

At the beginning our October we started a discipleship class via zoom. We are having the class once a week and the last week of each month we meet in person which is when they have a test over the material they have learned that month. The Lord has blessed the discipleship class with a total of 10 students.

On November 1st my Oldest daughter Ana and myself will be taking a quick trip to the States as we are needing to pick up some homeschooling materials for the kids. Please pray that everything goes well during our travels as there are many restrictions and uncertainties due to Covid.

Thank you for your faithfulness in prayer and financial support for our family. It is a great privileged and blessing represent you here in Argentina.

David Merlo
