

Glenn & Sherri McGhee Ecuador, South America

June 2023

Several milestones have occurred in the past few months. One of the definitions of "milestone" is; a stone set up beside a road to mark the distance in miles to a particular place. Joshua 4:21 "And he spake unto the children of Israel, saying, When your children shall ask their fathers in time to come, saying, What mean these stones?"

Milestone 1: On March the 15th of this year we poured the floor for the 2 story boys dorm. On April the 25th we poured the second floor and on May the 17th we put the roof on the second floor! Thank God for His provision!

Milestone 2: Sherri and I had the privilege to celebrate the 27th anniversary of the first church we started - Iglesia Bíblica Bautista La Victoria! What a blessing it was to see God's house full and to hear the testimonies of those who began with us as children and are now leaders in the church! They even placed a plaque in the building honoring Cliff and Neoma McGhee and Sherri and I for our labor as missionaries in Ecuador.

It was a very special time for us! Thank God for His faithful people!

Milestone 3: Sherri and I were approved as missionaries in September 1990. After deputation and a year of language school we arrived in Ecuador in June of 1993. This month we celebrate 30 years of living and serving in this beautiful country. Thank God for His provision and protection!

In His Service,
Glenn
