January 2019

Dear Praying Friends,

December 5th found us in Urgent Care/ER in Brasilia, after Dean started feeling pressure in his chest to the point that he was unable to breathe well. After several days of visits to the cardiologist that was on call, but proved to be exactly who Dean needed to see, we were told that he has 70% blockage in the aortic valve.

We discussed options with Dr. Carlos, with our kids, and Steve Bender from the Missions Office and felt like our best option was to come to Springfield, MO for the surgery.

Yesterday we met with the surgeon and the surgery will be at Cox South on January 22nd.

Thank you for your prayers! It has been a long tiring month and it hasn't even started yet!

Deloris

"Finally brethren, pray for us . . ." II Thessalonians 3:1
