Life

Missionaries in Panama

March, 2019

On March 3, God gave us the blessing of serving 10 years as a church. For this special celebration we had the presence of Brother Hermenegildo De León and his wife (they helped us start the church) and with our pastors Randy and Sherry Rhoton.

God has been very good to us: we have our own building now and recently we were able to buy a house next to the church which gives us more space. God has allowed us to see many people saved and be able to baptize many of them in these 10 years of ministry. God has allowed us to see growth year after year, We started 2009 with 70 people in the first service. In March 3, 2019 we had 567 people (318 people gathered in the morning for children and youth meetings, and 249 at 3 pm in our time of praise and preaching). During our anniversary day, 9 people accepted Jesus as their Personal Savior. There is no better celebration than this during our 10th year anniversary.

Many thanks to all the churches that have accompanied us in these 10 years of adventure and many thanks to all the churches that have joined during the 10 years of this ministry. Thank you very much for giving us the opportunity to continue SHARING LIFE !!

*We love you very
much!!!*

*Thank you very much! For your faithful prayers
and financial support..*
