April, May, June 2019

As usual, the first couple of months of the year are extremely busy months with Vacation Bible School, first semester of the new Seminary year and lots of other activities.

Our first church in Coronado had a great Vacation Bible School this year with several children accepting the Lord. They had it for three weekends in January. Our second church in Ciudad Colón had their Vacation Bible School the first week of February. They also had several children saved during the week. The theme this year was "Submerged" using the scripture verses from Psalm 139:23-24 "Search me, O God, and know my heart: try me, and know my thoughts: And see if there be any wicked way in me, and lead me in the way everlasting" as the main verses for the lessons. All of the decorations were ocean themed, which the kids really enjoyed. One of everybody's favorite was the huge open mouth shark that the kids could get in and have their pictures taken with their heads sticking out between the huge teeth of the shark's mouth. Since Doris, the pastor's wife in Coronado was almost nine months pregnant with their 2nd child at the time, one of our faithful young couples, Johnny & Paula were asked to take charge of everything. This was such a blessing for us. Johnny started coming to our church when he was just about 9 years old. His wife Paula is the daughter of Pablo & Marielos Santamaría, the pastor of our church in Ciudad Colón. She started coming to our church with her family when she was about 12 years old. It is such a joy to see this young couple, with such a passion for the Lord's work dedicate weeks of their time and energy to make both of our VBSs a big success.

The first semester of the new Seminary year started February 25 with new classes, new professors and new students. We are excited about the beginning of this new year of classes. We should have several students graduate this year. We just had the privilege of seeing one of our fourth year students ordained the end of March. God is still working in lives and hearts. He is still calling preachers and workers into the ministry. It is such a blessing to be a part of the training of these faithful people. Please continue to pray for the students and professors as they begin this new year of classes.

Please pray for the youth group from our Ciudad Colón church as they prepare to go to Youth Camp April 17 through 21. The teens have worked hard all year to raise enough money to pay for their way to camp. We were so proud of them when we had a new family join the church a few months ago whose teenage daughter got very involved and wanted to go to camp but didn't have the money, so all the teens decided to have a couple of special fund raisers so they could earn enough money so that Camilla could go with them too. What a beautiful outpouring of God's love. Please pray for the teens as they go to camp that they will draw closer to the Lord.

The Ciudad Colón church has had some real victories these last few months. We have been blessed with new members that have joined by letter and have had 4 baptisms. Praise the Lord! A new Wednesday night Bible Study was started and is going very well. Several new people have faithfully joined the Saturday morning outreach program. One huge blessing is that the papers the government requires to keep the church open and functioning were granted for five more years! God is so good. In the last few years the government has been shutting down churches all over the country so this is a special answer to many prayers.

God bless you for keeping Costa Rica, our ministries and us personally in your prayers.
