Dear Pastor and Church:

They kept on coming! 500 attended our sunrise service on 21 April (Easter) to rejoice that we have a risen Savior who said: "Because I live, you will live also." The service ended with eight new believers proclaiming their faith by being baptized. Then, a delicious breakfast was enjoyed by all.

In a few days, the Muslim fasting month will start and bands and government offices will only be open half days and shops will only open in the evening and stay open until 2 or 3 in the morning. During this fasting month, many Muslims sleep most of the daylight hours when they cannot eat or drink anything or smoke. Then, they stay up most of the night.

Two of our Bible Institute graduates, Nasir Bhatti, and his wife Victoria, are in the process of remodeling their house by turning their flat roof into a meeting hall that can hold over 100 people so they can start church meetings. They are already having evening Bible studies for the people in their neighborhood.

In January, our partners, Randall and Rachel Fernandez started a Manna Center here in the Central Baptist Church. Three afternoons a week, over forty children come for a healthy meal, a play time in our church yard, a brief worship time, and then go to classes arranged by level of English proficiency. In three months, children who have never spoken English before are beginning to communicate in short phrases and are hearing then understanding the Gospel of the first time. The program has attracted new families to our church and given church attenders an opportunity to get involved in this ministry.

Pray for us as our responsibilities increase in May and June while our partners, Randall and Rachel and family are on a brief furlough visiting family and supporting churches. We thank you for your support and prayers.
