Next Steps The last few weeks have been filled with excitement and our family's next steps. First, Chad was ordained at his home church in Harrison, Arkansas. It was a privilege to be with many seasoned pastors as they prayed over Chad and our family's future ministry.

Pastors at Chad's ordination

The approval process in Springfield was a great encouragement

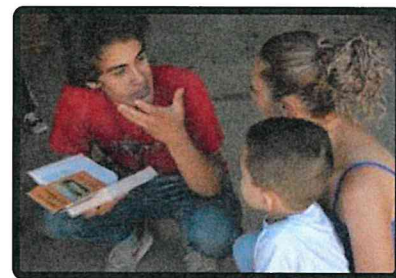

We were also in Springfield, Missouri for our transition from TEAM missionaries to Career missionaries. The approval process was a smooth one. We were very encouraged by the affirmation of the Mission Office, and the pastors on our committee. Now we're praying God brings about the needed support to return to Costa Rica. *Would you pray with us for 25 new supporters? We are thankful for new supporting churches, and others that have said they will increase their support to help cut our travel time down. Please pray with us as we ask God to connect us with the churches and individuals He has for us, so we can return as soon as possible.*

Prayer Requests

- New partners to help us get back to Costa Rica
- Wisdom and planning for future church location
- Kids feeding ministry
- Safety while on deputation

Blessings

- Successful Family Fair outreach
- Kids feeding ministry up and running well
- Encouragement from ordination and approval process

Jean Carlos sharing the gospel at the family fair

Meanwhile in Costa Rica In our last letter we asked you to pray for a new feeding program and a family fair. The family fair was a great outreach with over 550 people, and 10 people accepting Christ! The feeding program before the kids Bible club has also made an impact. They're serving over 100 people each Friday. It's just the beginning, but continue to pray that it will be a great outreach for kids in the community. It is a blessing for our family to watch how God is working, and what He is doing in Costa Rica! It makes us want to get back even sooner!
