

Shape-N-Race 2019

Schedule

Purchase Car – Friday, January 18th thru Sunday, February 10th

Choose your car and number and have photo taken (or email your photo with a light solid background to us)

Cost of Car: \$8.00

Sand & Paint Car – at home anytime

Turn in Car with Registration Form

Not later than Monday, February 18th 7:00pm

Test Run – Friday, March 1st any time between 7pm to 8:30pm – this is a chance to lubricate and tweak your car and race others

THE RACE – Saturday, March 2nd 9:00am in Gym

Rules

1. Only official StockKar cars, wheels and axles are permitted. Other manufacturers' pinewood derby-type cars, wheels and axles are not permitted.
2. Only new cars can be raced. Cars raced in prior years are not allowed.
3. You may choose a pre-cut car or shape your own. If you shape your own, do NOT change the axle cuts or alter the axle width or length. The car may be up to 2-3/4 inches wide and up to 7 inches long. Height is limited by finish line timer - car must be able to pass under timer.
4. Maximum weight of the finished car with wheels is 5.0 oz (as weighed by the official Shape-N-Race scales). You may add your own weights if you like.
5. Your car number **must** appear on the hood or top of the car so it can be read while standing in front of the car. Your name should be printed clearly on the bottom of the car.
6. After turning in your car by due date, it will be impounded until the Race. Official StockKar wheels and axles (0.5 oz) and weights (up to 2.0 oz) necessary to bring your car up to the maximum 5.0 oz will be added by Shape-N-Race officials. Please note that cars that cannot reasonably be brought up to the 5.0 oz (because it is extremely thin) will not. We will add as much weight as practicable in those cases. You will be able to test run your car and make any final adjustments on Test Run Night. You may use any lubricant you choose. (Shape-N-Race officials recommend a light oil such as 3-in-1 and will have it available.)
7. All cars will race in all four lanes to determine their total time. Trophies will be awarded to first, second, and third places in each racing division. There will also be a Grand Finals race with trophies. Awards will also be given for Best Finish, Best Look, and Best Theme in each racing division.
8. Email questions to paintdw@msn.com or call 302-897-5538.
