

Spring 2018

Dear Coastlands Friends and Family,

It has been a full and blessed year of ministry at Coastlands! We are wrapping up our 29th year of service to Christian schools and have seen the Lord at work in the lives of young people as they learn God's Word and deepen their faith. What a privilege it is for us to mentor students in this most significant journey!

Our year has also been full of challenges as we manage the staffing and financial needs of the ministry. In order to increase our foundation of support, we are sending a broad appeal this year with the goal of establishing partnerships that will provide consistency and stability as we anticipate the future of Coastlands' ministry. We humbly ask you to consider supporting us in this endeavor.

Attached you will find a brochure with more information about Coastlands and the exciting ministry we have loved since 1989. There are several ways you are able to support Coastlands, through prayer, financial contributions, and simple day-to-day provision. Our hope is that you will become a Coastlands partner to help us meet our fundraising goal and sustain our ministry throughout the year.

Goal - \$30,000 Annual Fund gifts
15 Sustaining Partners at \$50 per month
24 Covenant Partners at \$500 per year

We are so grateful for many who have supported Coastlands through the years, and we have seen God's provision and power again and again. As you consider how you will partner with us in the days ahead, we encourage you to share Coastlands with your friends and family and invite them to become part of our extended community.

To God be the Glory!
