Photography and Social Media Consent

During the program year, photos or short video clips of Children's Choir activities may be taken to celebrate and share the joy of singing together. These images may be used in church communications such as newsletters, printed materials, the church website, and social media platforms. Children will **never be identified by name** without separate written permission, and we are always mindful of safety and respect for every family's preferences.

Please indicate below whether you give consent for your child to be photographed or recorded for these purposes. Consent is completely voluntary and not required for participation in Children's Choir.
