The Calendar Controls All

I was just looking at my calendar, and working on some scheduling. I realized that life was busy, and it was only about to get busier. I'm pretty sure this is the exact realization I have every time I look at my calendar. I'm willing to bet that as you are reading this you are having the exact same thought, or shaking your head in agreement. Some of you may be on your way to find me, and say, "You think you're busy, well here, look at this," as you shove your calendar in my face (please don't do this.) The point is life can get very busy. As I was having that exact thought I could feel the stress covering me like a blanket. It's very easy to get overwhelmed when we start thinking about things like that.

As I was having those thoughts though, Philippians 4:6-7 came to mind. Here is what that scripture says, "Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus." I love reading verses that tell me to stop doing exactly what I'm doing. This verse is a great reminder, that anytime I start to have those thoughts and feelings, peace is available to us. We just have to present our requests and problems to God, and His peace will guard our hearts and minds. Remember if life begins to overwhelm you, God is the one who offers you true peace in the chaos of life.

Mission of the Month

Pioneer Bible Translators

God inspired Al Hamilton in the mid-1970's with a passion and a vision to mobilize more of God's people for the task of translating Scripture into every language. He and other members of the Christian Churches began to recruit missionaries from Restoration Movement churches to translate the Bible. From this vision, Pioneer Bible Translators was born in 1976.

Pioneer Bible Translators bridges the gap between the church and the Bibleless peoples around the world. Their team is composed of Bible translators, literacy evangelists, church planters and a variety of support personnel working to see transformed lives through God's Word in every language. They are serving 102.5 million people in 108 language projects in 28 countries.

Pioneer Bible Translators exists to disciple the Bibleless, mobilizing God's people to provide enduring access to God's Word. Their vision is to see transformed lives through God's Word in every language. The work is not finished until there are networks of churches using Scripture to grow, mature and multiply in every language group on Earth. Prayer is their strategy.

PCOC supports a family working with Pioneer Bible Translators. They recently were a part of finishing the translation of the book of Luke for a people group that didn't have it. A part of history was made! Some of their prayer needs are, discernment in printing and distributing the book of Luke among the people, to lead the right number of people to join them in a financial partnership, travel mercies as they plan and prepare to return to Southeast Asia this month and the transitions their family will need to make, such as school, and that God will lead people from this group to engage fully with His Word and be deeply impacted by it and experience transformation in Christ alone.

For more information, please see Pioneer Bible Translators website www.pioneerbible.org. Their missions address is P.O. Box 380820, Duncanville, TX 75138-0820
