WHAT IS REENTRY?

You've probably heard that it is a small group Bible study sponsored by our church. True. But its purpose is to HELP PEOPLE FIND FRESH PURPOSE FOR MEANINGFUL CHRISTIAN LIVING.

A couple from Minnesota moved to the Phoenix area so he could enjoy year-round golfing. Something happened that limits his mobility to getting around with the help of a walker. Guess what—he lost his purpose. We all lose purpose from time to time so we have to adapt and find FRESH or maybe a NEW purpose.

As long as we live, God has a purpose for us. REENTRY is designed to help you find or rediscover yours. Here is what some REENTRY graduates said:

- I'm finally able to leave the past in the past.
- At long last I can express my buried feelings.
- The Holy Spirit used this class to change my life.
- My broken heart is mending.
- I was always running, but I've learned to be still.
