November 2020

Dear Parents and Volunteers,

Thank you so much for serving in a classroom in Discovery Park!

- **We've had several great weeks of Sunday school so far in October.** We are continuing with our combined Nursery / 1s class and a combined 2/3/4s class.
- **Children's Check in Stations are back at Door 3.** Visitor tags will still be handwritten at the counter.
- **Hands Free Check in / Check In using the Church App:** If you check in using the church app, it will generate a QR code that you can scan when you enter the building and the stickers will print out without touching any screens. Search for "Church by MinistryOne" wherever you find your apps. It's a purple box with a white cross. Then search for "First Missionary Berne." From here you can click on the link for using check in and Brenda will get you set up with login info so that check in works. There's a little bit of setup, but it's worth it for the ease of checking in from home or the parking lot and not waiting in a line. This works for parents and volunteers.
- The **older keytags** (like a Kroger card) still work for check in as well. If you need a replacement or additional keytag, please let me know or let the person at check in know and they'll write it down. These are particularly helpful if you don't have access to a smartphone for check in.
- We're finishing the spring curriculum where we left off in March as there is enough left to go through the end of November. We'll be back to regular winter material in December. Lesson numbers are listed in the week's schedule.
- Snacks have been removed from all classrooms. Hand sanitizer is available in each classroom. There is a tote on the counter in each room for items that need to be washed after class.
- When you **collect stickers for parent pickup**, please use as many sheets as you need on the attendance clipboard and don't cover over the attendance sheet info. Parent pickup tags do not have the child's or parent's names on them for safety reasons; please make sure you match the code on child and parent tags.
- This schedule only reflects November. Adjustments may be made as we find what works and what doesn't.
