

FEBRUARY 2018 NEWSLETTER

Dear Parents,

Wow, January flew by! It is hard to imagine but the next few months until the end of our school year will go by very fast. We are already planning Children's Sabbath which will be held in April.

This has been a rough season with the flu and other illnesses. We appreciate your consideration for all the children here and ask that you please not send your child back until he is 100%. While we understand the typical allergies and sneezes/coughs, if you feel your child isn't up to making it through the full day the best idea is to keep him at home. Thanks for your help.

We LOVE Valentine's Day and are looking forward to our celebrations next week!
Many blessings,
Rhonda

THEMES for FEBRUARY

Groundhog Day

Dental Health

Valentine's Day

CALENDAR DATES

March 30-Good Friday, holiday

April 15-Children's Sabbath

*details forthcoming

KINDERGARTEN NEWS

February will be filled with hearts in kindergarten as we introduce "words we know by heart" and receive heart stickers for the words we can read! Be on the lookout for your special HEART WORD folder coming home soon. We will have a special surprise field trip this month to celebrate 100 days of school! We will also celebrate Valentine's Day by exchanging cards and enjoying a special snack. We will have a visit from a dentist to teach us how to take good care of our teeth. We will meet Curious George and read a lot of books by H.A. Rey. Get ready for a fun-filled month!

~Mrs. Smoak & Mrs. Gantt~

MUSIC NEWS

The children are doing a good job with the music and movement activities. We'll start learning songs for Children's Sabbath very soon. They continue to really enjoy using instruments in music class.

~Mr. Philip~

SCIENCE and SPANISH

The children have enjoyed doing science activities involving winter weather. In Spanish we are grasping a lot of vocabulary words through conversation and songs.

~Ms. Alex~

ART NEWS

The kindergarten class has learned a lot about lines, shapes, shadows and dimensions in art. We have a lot of fun painting and drawing through process-centered art.
