Mark 2:23-28

God is good. All the time. This coming Sunday our Scripture lessons proclaim the goodness of God. We are called to experience His goodness through the rhythms of life in the Sabbath, as proclaimed in the genesis beginning to be enjoyed today providing balance and perspective. The Sabbath made for man's delight is God's renewing life-giving grace, peace, and joy to be shared with others.

Come and share God's Divine revelation through the Holy Scriptures and sacrament of Holy Communion this Sunday.
