* Jewish custom doubles festival days outside of Israel. Rosh Hashanah is doubled both inside and outside of Israel (Simchat torah and Shimini Atzeret are combined into one day on Tishrei 22 in Israel). * The torah and Haftarah chapter/verse numberings are taken from the Hebrew Bible (Christian published chapter/verse numberings are indicated within parenthesis). The Gospel readings are keyed to themes found in the corresponding Torah or Haftarah readings for that week.
