

## NOVEMBER/ DECEMBER 2023 NEWSLETTER

### ROCK OF AGES CHURCH PLANTING ASSISTANCE PROGRAM PACIFIC PRISONS: THE UNTAPPED RESOURCES FOR THE KINGDOM OF GOD.

Dear faithful supporters, it is our joy to report once again of the goodness of our GOD here on New Britain island, Papua New Guinea. I would like to start out by saying a special thank you to those who sacrificially gave cards, money, and prayers during these holiday months. They did not go unnoticed or unfelt. Whenever it feels like all hope is gone He always shows up right on time. We are so thankful that we serve a God who knows our every need.

**NOVEMBER:** During this month we were able to continue helping out Bible Baptist Church and filling in for pastor Dominic while he was closing up his mission trip back in his home town village of Paung, in the bush. He stated that he saw 102 make professions of faith. He came and spent 3 weeks with us then went back into the bush to baptize those saved and to hold another week of camp meeting with several more making professions of faith and 2 surrender to preach. Do help us pray for laborers in this needed field. We were also able to see 4 professions of faith while at Bible Baptist Church. 3 of those were during our weekend Rock of Ages meeting with Bro John Shelly and the other was on a Wednesday night during regular church service.

**DECEMBER:** During this month the church has been on a normal roller coaster of attendance. This was mostly due to the schools closing for the holidays and end of school year here in Papua New Guinea. As well as several area fights breaking out amongst the different communities. Thank you for praying for our continued protection, as Kimbe is being noted as a hot bed of wars and fights now making it become more unsafe than before. We continue to disperse our tracts out on Saturday and throughout the week as we always do. Do pray for our hospital ministry as recently we saw 3 saved. We close this year out with around 100 souls making professions faith.

a visa issue. We know God will send in the preachers with the right messages to help our church in their walk with God.

Please pray as we are making plans to fly back to the USA around March 15. We plan on visiting with churches that we have not seen in awhile. So please contact us by email calling or texting to set up a meeting with us. We also want to visit with family as it's also been awhile since we have seen some. Then we also must check in with my kidney dr to see how my kidneys are doing. We also plan on buying, boxing up, and shipping ROCK OF AGES STUDY BIBLES and tracts back to a few areas where we have church and prison ministries established. Any help in this would be much appreciated. So we will be busy once we return and certainly need your prayers. Once our 6 month stay in USA is complete we are already making plans to return back PNG with a possible camp meeting again GOROKA and the returning to Popondetta with Bro Paul Vereki to help establish Bible Baptist Church that we began back in 2012. We certainly need your prayers for this endeavor.

**PRISON WORK:** Bro Ronald made a trip to Lakaimata Prison in November with 31 professions. Several more saved in the jail in Madang as well as GOROKA On Christmas Day Lakaimata prison invited our whole church to participate in there Christmas celebration. I was able to preach a very simple salvation message with 10 making professions of faith.

Praying for our upcoming events: travel back to USA tentatively March 15 continuing prison ministries. More open doors into the prisons We have already begun reaching into 5 of the 22 federal prisons. We need more laborers in this area. Please help us pray concerning the prison in Popondetta as we will be making plans to go there upon our return to that village, Lord willing in September/ October 2024.
