Fall Prayer Letter

Brothers and Sisters in Christ,

Thursday, November 2, 2023

R

I hope this letter finds you all doing well in the Lord. I want to start out here saying thank you to the Lord for all that he has done and is doing in our lives. I don't always understand why things happen the way they do, but I know God is in control. The Lord has a plan and the power to accomplish his will in all of our lives. This gives me comfort and courage. Our responsibility is to keep our focus on looking unto Jesus and he shall direct our paths. We appreciate all the prayers that have been offered up this year on our behalf and the ministry in Brazil. Jeana continues to improve and she is looking forward to finishing her treatments that she has been taking since last year. The Lord willing, she will finish these treatments in mid-December.

I am overjoyed to report that this past Sunday morning we were blessed to baptize seven new brothers and sisters in Christ saved in the newest work. We all met at the river and had our Sunday morning service there. Before going down to the river's edge, I asked if anyone had a testimony on their heart. One of the older men that was going to be baptized shortly, spoke up and began to thank the Lord for saving him with tears rolling down his face. When he finished, a young man spoke up and began to thank the Lord for his new life in Jesus. He was very humble and could barely get out what he needed to say. He will graduate high school this year. What a blessing it was to hear one person after another testifying of the goodness of God in their lives. Our first service in this city was just a little over a year ago in September of 2022. As the testifying finished up, I asked for a song to be sung as we walked down to the river for the baptismal part of the service. As we were walking down, I was thinking about how great our God is and all he does on our behalf that we might be saved and live with him forever. I am so glad he has allowed all of us, my family and yours, to be a part of spreading the good news of Jesus Christ to a lost and dying world. Here are just a couple of pictures from that wonderful Lord's day!
