"And the vessel that He made of clay was marred in the hand of the Potter: so He made it again another vessel, as seemed good to the Potter to make it."

Jeremiah 18:4

March 1, 2024

Dear *Pastor Messergale and Pleasant View Baptist Church,*

Hello from the great north country! This letter hopes to find you all well and serving the good Lord!

It is indeed exciting, but somewhat uncertain days. In the Psalms, we read that David did not always live in green pastures and beside still waters, but we also can say that he sought the Lord, and He heard him and delivered him from all his fears. Although we are living in fearful and uncertain days, God is faithful and will deliver us. Yea, though we may, before he comes, walk through the valley of death, but we should fear no evil, for He is with us!

We are doing fine, and God has blest us with a mild winter. We are looking forward to spring. We are few in numbers, but faithful. Seems the ones that are here are those who will faithfully serve Him.

I tell each one, "Do what you can do to bring others to Christ." In these days of opposition to God and His precious Son, it is hard.

I also would ask you to especially pray for a young man in his early forties who is so plagued with a thing called "cluster headaches". He loves the Lord but is in constant pain. Please pray for him.

We also have a lady with a Catholic background who is lost and has only a few years left at best. She is 88. Please pray for her salvation.

We are so thankful for you precious folks. I do not know why God has blest us so with each one of you, but we pray His blessings fall on you for your faithfulness to this ministry.

We will be praying for you and yours. Please remember us also. I am doing okay pretty much now health wise. For 78 years, God has supplied our every need.

Till He comes for us,

Your Missionaries to Alberta, Canada,

*Bro. Jr. Messick*
