Acts 16:9b

Come over ... and help us.

January, February, March 2024

We hope each of you enjoyed the Christmas season with family and friends and have a blessed New Year and purpose to remain faithful and to stay in the will of God in the coming days. We enjoyed time with our family and reminisced in the blessings of the Lord this past year.

Thank you so much for your prayers and financial help in the past year. We are back in Kentucky from the church in Virginia as they rejected the Word of God and us. This morning I was under Elijah's juniper tree. I Kings 19:4, 5. Then as I was reading Revelation 7:9, 10 the Holy Ghost spoke to my heart that I was one of those multitude that have the salvation in the Lamb of God and I got out from under the juniper tree.

We are continuing to carry on the Ministry of Helps broadcast each Saturday on WSOF-FM radio and help with raising finances during the Marathons. My health is strong enough for us to continue to preach the Word of God. We just started having Bible Study here in our home and praying that others will join us, as some have promised. We want to do God's will more than anything and be faithful to our Saviour Jesus Christ the Son of God.

We are praying for y'all these letters are coming out to. Be faithful to our Lord and Saviour for surely He's coming soon, even today Lord Jesus.

In His Service I Remain,

Bro. Herbert E. Williamson
