## Family Camp 2018

Would you like to get away? Families. Parents. Grandparents. Singles. There is something for everyone. A chance to unplug, relax, connect with friends, enjoy nature, grow closer to God.

Family Camp Week at Durley Camp, June 9-15, will feature Denny Wayman as the speaker.

Denny & Cheryl Wayman

Denny was the lead pastor of the Santa Barbara Free Methodist Church for forty years. He has served as the lead superintendent of the Southern California Conference for eight years, retiring in May of 2018.

Denny is recently retired and is writing screenplays. His adapted screenplay, Learned Experience, was recently filmed looking at the experience of Free Methodist women elders in lead pastor positions.

Denny met Cheryl while at Greenville and they married their junior year. Cheryl is a marriage and family therapist and has worked for a decade in a secular organization before opening her own counseling center, Cliff Drive Christian Counseling Center, which she directed for over twenty years.

Denny and Cheryl have two sons who both live in Greenville, IL with their families. Ben is a professor at Greenville University and Tim is a financial planner. Ben and Michelle have three boys while Tim and Rachel have two girls. These nine people are the joy of their lives.
