Dear Parents,

Hello again! Our group is still marching through the big-picture story of the Bible, and loving every lesson. This week, the lesson was entitled, “Abraham and the Birth of a People.” The lesson was all about how God chose Abraham to be the father of His special people, and how, through faith in Jesus, we are adopted into God’s family.

**We looked at the following Scripture passages:**
- Genesis 12:1-5a
- Genesis 15
- Genesis 21:1-7
- Galatians 3:25-29

I encourage you to read these passages, so you can clearly see the connection between what God did through Abraham to establish His own people, and what God has done through Jesus to bring more people into His family.

**Next Steps . . .**

During the next week as you have time to talk with your student, consider asking the following questions:

- In your lesson this week you discussed God’s faithfulness to His promises. What difference does it make to know that we can trust God to do what He has promised?

- What does it mean that we’ve been adopted into God’s family? How does that make you feel?

- Why do you think God chose to adopt us into His family?

I love partnering with you to disciple your teenager. Let me know if you have any questions about what we studied, or if I can help you in any way.
