What about my children? Is there a safe and fun place for them?

We have wonderful ministries for preschoolers, children, and students where they will study Biblical truths while interacting with others their age and creating meaningful relationships. Each class is led by adults trained to teach with all the care and concern your child needs. The Student Ministry (grades 6-12) meets at 9:30 and has a high-octane, high-relationship hour that feeds the needs of today's students. All teachers of children and students have successfully passed a multi-state background check. Those background checks are available for review in the church office during regular business hours.

What is the worship service like?

First Baptist offers a family-oriented, blended worship service. We employ the visual arts in creating an atmosphere for people to seek the Lord, and give opportunity for people to express their worship through music focused on exalting Christ.

What should I wear? How should I dress?

Comfortably! Come casual or dress up. People wear anything from shorts and jeans to dresses and sport coats.

What kind of people will be there?

We are a pretty ordinary group of people. We reflect much of the west Texas life. If you live in the area, you will see children who attend school with your children, people who work in Big Spring and people who work regionally. There are families, senior adults, single adults and children and students of all ages.

Where do I go when I arrive?

Head for the west entrance off the main parking lot. It is located on south side of FM 700. There are guest parking spaces, identified by the yellow painted spaces for you at that entrance and once you enter the doors, you will be greeted by any number of people who are all willing to help you find a Bible Study or place in the Worship Center.

Do I need to bring anything?

No. If you want to bring a Bible, feel free to do so. We do provide Bibles, and we also project songs and scripture verses on video screens in the Worship Center.

Can I remain anonymous?

Absolutely! We realize many people want to check out our church without calling attention to themselves. During the service there is a time of greeting, but nobody will single you out.

However, you may want to fill out a guest registration card. If you do, you will either receive a call from a staff minister or a bag of information and goodies dropped off at your home (not an in-home visit). If you trust us with this information, we will prove trust-worthy and only use it in appropriate ways.
