

April 2018

News from the Purple Room

Dear Purple Room Families,

Is it really April? This must be an April Fool's joke! March blew by as it always does and gave us lots of interesting weather changes to observe. We rejoice in the return of spring and returning outside to our playground! Green was everywhere in March, from dinosaurs to shamrocks. We hope you had a wonderful spring break.

Thanks, Dads, for taking the time for Dad's Night. You created memories that will last a lifetime. We hope you had as much fun as we did.

We will begin April with Purple Day on the 2nd. Please dress your child in something purple.

Our Scholastic Book Fair is April 9-12. Spring Conferences are on April 11. We will send out reminder notices for the time slot you signed up for. Childcare is also provided during your conference time, as we do not have school that day.

This month we will be learning about Spring, Rebirth, Weather and Butterflies. We will have the opportunity to see the life cycle of the butterfly in our class. We will watch the caterpillars change and develop until we have live butterflies that we will release. We will end the month with Kite Day. Please bring a kite to school at 1:30 on Monday, the 23rd, and we will meet you outside on the hill for a fun afternoon of kite flying! In case of rain or inclement weather, we will reschedule Kite Day for Wednesday, April 25.

God Bless,

Diana & Kim
