## Yellow Room Newsletter

Dear Parents,

It's hard to believe that there are only two months left in our school year. Your children are just delightful and have accomplished so much since September. Dads, we had a wonderful time with you at Dad's Night. Wasn't it fun? Thanks for sharing a special evening with your child.

I'm pleased to share with you the report on your child's progress this year on Tuesday, April 10. If you need a different day, please let me know. We would love to have you visit our Book Fair and build your home, and our school library, during that week.

We have a busy month planned with a field trip to visit God's Garden on our church property. We will be exploring all things Spring with Earth Day, Rainbow, and Weather.

On the 17th of April, we will be visited by our favorite Police Officer to learn about Safety.

We are looking forward to your joining us for Kite Day, in our room at 1:30 on April 27 with a kite ready to fly. Please wait until then to bring kites as we have no room for storage. This is a parent (or other)/child activity (siblings welcome). We will take lots of fun pictures. It's a beautiful sky on that day!

We love Spring, and we love our little ones in the Yellow Room. We truly appreciate you parents so very much.

In His Love,

Lucy & Jane

---

## Curriculum Goals

---

### Spiritual

"Let your gentleness be evident to all." Philippians 4:5 Noah and the Ark

### Virtue

Gentleness
