## NEWS FROM THE BLUE ROOM!

Hi Parents,

Happy Spring!!!

March was a fun month—starting off with Dad's Night! The children LOVED having their dads here with them and we thank you for being here to share that time!

Conferences will be on Tuesday, April 10. We will not have class on that day and childcare is available. A sign-up sheet will be posted if you are interested in having a conference.,

I just wanted to take a moment to tell you what a great bunch of kids we have in the Blue Room. They love to play together on the playground and really enjoy each other. They have grown so much since their first days back in September, and it has been so much fun to watch them learn and develop. They have worked very hard on their color words, and letter and number recognition. Please continue to reinforce these skills at home. Some of our kiddos are ready to read so you can start introducing beginning reading books at home.

Kite Day is Thursday, April 26. Please arrive at school at 1:30 with an assembled kite to fly with your child. If you are unable to make it please send a Mom or Dad substitute. This is a very fun day for our students.

As always, let us know if you have any questions. I'm looking forward to visiting with you at conferences.

Blessings,

Kelly and Cheryl
