

January 2021

Blue Room MW

Dear Parents,

Happy New Year! Although 2020 is one that will never be forgotten, I'm sure we are all ready to begin 2021! December was filled with lots of holiday fun and learning about the birth of our Savior. We ended the month with a pajama day watching "The Polar Express." Hopefully, your child found a bell in their coat pocket!

January will bring lots more excitement. The Blue Room will begin our journey into winter and snow. We will read "The Mitten" by Jan Brett, create our very own mitten, and act out the book using props. We will learn about birds, bears, and hibernation. We will end the month with Pajama/Bear Day on Wednesday, January 20th. Your child may wear their pajamas to school and bring their favorite teddy bear! We will continue to work on recognizing letters, numbers, and introduce recognizing their last name. Please continue to practice these skills at home!

Mrs. O'Donnell and I are so excited to see the children again. They are all a pleasure to have in class. They are also building wonderful friendships and developing strong social and personal skills. It is so rewarding to watch them grow!

Many Blessings,

Mrs. Tholkes and Mrs. O'Donnell

Curriculum Goals

Spiritual—Ephesians 4:32 "Be kind and compassionate to one another..."

Virtue—Kindness

Letters— J, B, N

Sight Words— am, yes, no
