

November 2020

Blue Room MW Newsletter

November is here and Fall is in full swing. It is hard to believe that we are already in the third month of school and Thanksgiving is right around the corner. This time of year is usually a busy one for families as we begin to prepare for the upcoming holidays but remember to take time to slow down in the everyday hustle and bustle and be thankful for God's blessings that surround us each and every day. We are so thankful for each moment we get to spend with your children. Thank you for sharing them with us!

Please continue practicing recognizing and writing letters, especially in your child's name. Any opportunity to color, cut with scissors, and play with play-doh will strengthen their fine motor skills. This month we will talk about the very first Thanksgiving, family traditions, and the history of the Mayflower and the Pilgrims. Thanksgiving Break begins on Wednesday, November 25th, and we resume on Monday, November 30th. Have a blessed and happy Thanksgiving!

Cool weather is here! Jackets and/or heavy sweaters are necessary, especially at our morning recess time. Hats and mittens are recommended as well as we head into the winter months. Please give your child lots of opportunities to put their jackets on independently and practice zipping, zipping, zipping!

The children have worked at recognizing, spelling, and writing their name. All of them have mastered finding their name card in the mornings and have made great progress "signing-in" by tracing their names. I have sent home a laminated name sheet for each child to continue practicing. When they are writing their name, remember to begin each stroke going from top to bottom and positioning their fingers properly on the pencil using a tripod grip. Doing these things at home will help to prepare them for kindergarten! Please let me know if you have any questions. Have a wonderful Thanksgiving!

Many Blessings,

Mrs. Tholkes and Mrs. O'Donnell
