

December 2018

Blue Room Newsletter!

Dear Families,

Our theme this month is "Go Tell It! Jesus Christ is Born!" We'll be celebrating the birth of Jesus!

In addition to learning the story of the first Christmas, we'll learn the legend of the candy cane.

This month we are learning the letters D and S and the number 3. Our shape of the month is the star. The Fruit of the Spirit is Patience ("Be patient bearing with one another in love." - Ephesians 4:2) We are continuing to learn how to write our names, learning letters and their sounds, and recognizing numbers.

Encourage your child to write their name on gift tags as you wrap gifts or on Christmas cards.

Our growth mindset book this month is "What Do You Do With An Idea?" Ask your child about some of their ideas.

Please remember to check the snack calendar. We are celebrating half birthdays for our summer birthdays. As a result, we are celebrating three birthdays during snack time this month.

Our Christmas program is Wednesday, December 19. It will begin at 1:00 p.m. and both Monday/Wednesday and Tuesday/Thursday classes will be performing. Details to come.

Ask your child to tell you about the nativity. They will be learning many details of the story so be patient (our fruit of the spirit) if you get a long story. ♥

Blessings!

Tricia Davenport, Kitsie Kaufmann, Lauren English
