

November 2020

*Dear Tuesday/Thursday Blue Room Families:*

*October was a fun month highlighted with pumpkin experiments and leaf hunts! We turn our attention in November to the concept of thankfulness and a look at how Thanksgiving came to be when the Pilgrims and Native Americans first celebrated God's blessings together.*

*We will compare our Thanksgiving celebrations today with those of long ago, exploring writing with a quill (feather painting J) and telling stories using drawings, and examining Indian Corn. **To help us learn how Thanksgiving is celebrated today I need your help!** Please pick one Thanksgiving tradition that your family enjoys every year and write a few sentences describing it. It may be a visit from grandparents or a trip to their house or maybe it is a special dessert you have every Thanksgiving. You will send the description (with your child's name on it) to preschool by **Thursday, the 19<sup>th</sup>** when I will share them with our class!*

*We will continue to work on rhyming, letter sounds and recognition, and review shapes and number recognition. We will be writing our names every day, as well.*

*We will end our month on the 24<sup>th</sup> by making our version of cornucopias (each child will fill his or her own with individual helpings of popcorn and fruit already prepared for safety purposes) and sitting down and enjoying them together as our "Blue Room" family.*

*Mrs. Wenger and I are thankful to be a part of your child's preschool experience and wish you all a very happy and safe Thanksgiving!*

*Mrs. Alton and Mrs. Wenger*
