

December 2018

Butterflies! T/Th Newsletter!

JESUS IS BORN!

In the month of December we have five preschool days PLUS our Christmas Program at 1:00 on Wednesday, December 19. Details to come.

This month we will focus on Jesus' birth. Our weekly Bible stories will be about his coming and his birth. Our books and songs and art projects will also center around the Nativity.

We will be learning about the Letters Q and G, the Star shape, and the color yellow.

Looking Ahead:

In January our theme will be HOME SWEET HOME. When they return on January 8, please send a photo of your child in front of your home. The children will share these at circle time and then put them on our classroom bulletin board.

Have a wonderful Christmas Day and vacation with your sweet children.

We will see you back at preschool on January 8.
